Applicant first wishes to thank Examiner Ali for discussing the above-referenced application during an upcoming interview scheduled for Wednesday, September 26, 2007 at 4:00pm EST. During the interview, Applicant wishes to discuss at least the following:

- Applicant first plans to propose an amendment to claim 1 for the sole purpose of advancing prosecution. Specifically, Applicant plans to respectfully propose and discuss the amendment listed above.
- Applicant also plans to submit that the Office has not shown how the SMIL reference discloses Applicant's claim 19, reproduced above. Specifically, Applicant plans to respectfully submit that the SMIL reference has not been shown to disclose "associating the first set of one or more elements in the first document to *a second set of one or more elements in a second document*", as recited in Applicant's claim. Page 80 of the reference illustrates this single document. To contrast this disclosure, Applicant respectfully directs the Office's attention to Fig. 1 and accompanying text.
